We will be conducting **focus groups for children in 1st-3rd grades** to interview and observe them doing activities that show the type of work they find fun and rewarding. All children participating in the focus group will receive a \$5 gift card from Subway.

2

Additionally, **any** school-aged children who are not able to attend a focus group, may choose to take our **short survey**. Those that complete the survey can choose to be entered into a drawing to win one of three \$50 Amazon gift cards.

All children's ideas will be included as part of Lafayette's proposal to be selected as one of America's Best Communities.
