## Weekly Update

Our mission is to serve God by providing a challenging academic education integrated with Catholic values and morals developing the whole person spiritually, intellectually, physically and socially.

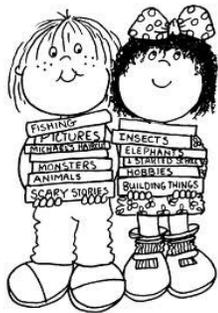

*He shepherds. We shape. They shine!*

October 26, 2015

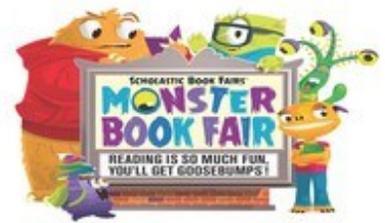

It was wonderful to see all of our parents in the building for Parent/Teacher Conferences last week! Thank you for all of your support and positive comments. Together with you, we make a great team!

We are very grateful to our amazing PTO for their thoughtful "Parent/Teacher Survival Kits" that they prepared for every single faculty and staff member, and for the delicious meals and snacks that were provided. We are blessed to have the best parents around! You made the week extra special for everyone.

We are still looking for volunteers to help us with the **Scholastic Book Fair** in November. It will take place November 16 - 20. Please consider the possibility of helping to make a difference for our school and to help provide this wonderful opportunity for our children. They enjoy the Book Fair every year, but it is only possible with the help of our wonderful, supportive parents. Please contact Mrs. Kim Switzer ([jivewire@frontier.com](mailto:jivewire@frontier.com)) to offer your help! We also need someone to coordinate the Book Fair next year, so this is the perfect opportunity to learn from the expert! Thank you very much.

### Front Playground Update:

We are very grateful to Mr. Williams and Mr. Warwick for their work in getting our front playground ready for the students. Mr. Williams has removed a concrete bar to improve the safety for the children, and Mr. Warwick has put in new fencing materials to keep the mulch from disappearing. We are still waiting on the new mulch to arrive, so we will wait until the spring to create the playground schedule with our volunteers. We appreciate your patience and willingness to help. It will be best this year to wait until the playground is ready for all classes to enjoy this spring.

### REMINDERS:

† We are preparing for our annual Veteran's Day Program. We would like to ask for your help in providing **photographs of veterans** in your family. It would be best to scan them and send them to Mrs. Delaney via email, but if you are not able to do that, please send in the actual pictures with your child. We'll take good care of them, scan them, and return them right away. They must be turned in before Nov. 4th. Thank you!

† Please be sure to send a **cloth lunch towel** everyday. Thank you!

† Our all school **Mass is this Friday (10/30)** with Mrs. Bordenet's class preparing and leading. This is also the day of our Halloween parties, so students are allowed to wear **orange** and **black** with their uniforms. Have a safe and happy Halloween this weekend!
